The Nurturing Programme encourages an approach to relationships that gives children and parents an emotionally healthy springboard for their lives and their learning.

With emotional well-being at its core, the Nurturing Programme helps to reduce abuse, neglect, deviant behaviour and mental health problems. As a universal programme, it maintains the health of the whole population as well as impacting significantly on the most challenging.

The Nurturing Programme:

- Promotes emotional literacy and emotional health
- Enhances self-esteem, self-awareness and empathy
- Develops communication and relationship skills
- Provides effective strategies to encourage co-operative, responsible behaviour and manage challenging behaviour in children
