

PARENT GROUP LEADER TRAINING WITH ISLAMIC VALUES

The Nurturing Programme is a structured 10-week programme promoting emotional health, relationship skills and positive behaviour management strategies for parents/ carers. This specialist 5-day training course equips practitioners to deliver Nurturing Programme parent groups to all parents in the community. In addition, the course will consider how to increase the programme's relevance and meaning for the Muslim community, relating the content to Islamic Values. It will include the use of the Islamic Values and The Parenting Puzzle book, bringing together Islamic religion teaching with the Family Links Parenting Puzzle. The course draws on extracts from the Quran and sayings (hadiths) of the Prophet Muhammad (peace be upon him) to demonstrate how Islamic religious values complement the Parenting Puzzle.
